@LongstoneLPS

Dear Parents/Carers,

We wanted to let you know that, this session, all pupils will be covering parts of the Relationships, Sexual Health and Parenthood programme as part of their learning in Health and Wellbeing. This is a national programme, used in schools across Scotland.

We have attached an overview of what will be covered at each stage as well as a parent information leaflet.

The RSHP website [www.RSHP.scot](http://www.RSHP.scot) contains the resources and presentations that we will be using when delivering the RSHP programme. When visiting this website, please bear in mind that we may have adapted some of the resources so that they suit the needs of our pupils. We will also not be using every single resource you see on the website.

We will also be adding the progressions onto our website: <https://longstoneprimary.com/>

If you have any further questions, then please feel free to contact the school in the usual way.

Yours sincerely,

Angela Pearston  
Head Teacher
