PRIMARY 1 - IDL LEARNING

Bundle 1 -Toys: Through play, I can explore objects and stories from the past. I can compare how I live to how others lived in the past. I have opportunities to explore forces through a variety of toys such as push and pull toys. I will investigate how to move a simple robot by creating simple instructions.

Bundle 2 Environment: Through my outdoor experiences, I will learn about the local environment. I will have opportunities to represent the world around me through play activities, e.g block play, art and junk modelling.

Bundle 3 Community and Enterprise: I will learn about people who help us and the jobs that people do.I will learn how to keep myself safe e.g. calling emergency services.

Bundle 4 Sciences Senses: I will explore similarities and differences between different people. I will learn that we are all unique and I will become more aware of my growing body. Through play, I will have opportunities to explore my senses.

Bundle 5 Science Electricity: Through play, I will have opportunities to explore my senses.

Bundle 6 Technologies Using Digital Software: I understand how technologies can help us. I can use digital technologies to help me share my ideas.

Bundle 7 Healthy Living: I will learn about ways to keep healthy. I will learn about where food comes from. I will have opportunities to explore and learn about a wide range of foods from around the world.

Bundle 8 Pupil Voice : I have the opportunities to lead my learning and make choices about how and what I learn.
