PRIMARY 3 - IDL LEARNING

Bundle 1 – Scotland's Past - Invasions: I am building my experience of important events and people in the past. I can compare life in the past to my own life.

Bundle 2 Environment - Local Land Use and Community needs: I am building my understanding of the different types of land use (natural and manmade) in my local area. I am learning how to show kindness and help look after my local community, including my school. I developing an understanding of how technologies help meet the needs of people in society.

Bundle 3 Community and Enterprise – Community Links:

I am learning about local organisations and how they help people in the local community.

Bundle 4 Sciences – Body Systems Senses and Sounds: I can explain the five senses and how we used them in daily life. I can explore how sound is made and how it can be changed.

Bundle 5 Sciences – Growing Plants and Healthy Eating: I can carry out an experiment to discover what plants need to survive. I am developing my understanding of healthy eating and how adverts can impact my choice.

Bundle 6 Technologies – Past Technologies: I can explain how technologies have changed over the years and the impact this has on my daily life.

Bundle 7 Sciences – Energy and Space: I am learning about different types of energy for example light and heat and I can explain their importance. I can explain how the earth orbits the sun and how this gives us night and day.

Bundle 8 Pupil Voice : I have the opportunities to lead my learning and make choices about how and what I learn.
